KELLER ADAPT

Website Structure & Section Descriptions

Website direction: A clean, premium, white-and-green website positioning Keller Adapt as an inclusive-space and sensory-solutions brand for customers, partners, and investors.

HOMEPAGE STRUCTURE

01. HERO — BRAND INTRODUCTION

Headline: **Making Every Space More Inclusive.**
Introduce Keller Adapt with a short brand description and actions: **Explore Our Solutions** and **Our Story**.

02. WHAT WE CREATE

Headline: **Designed Around Different Needs.**
Introduce sensory products, sensory rooms, custom manufacturing, and inclusive-space solutions.

03. PRODUCT DISPLAY

Headline: **Explore Our Products.**
Create a visual product grid featuring product images, names, short descriptions, and links to view details or buy. Add filters or categories where useful, and clearly mark products available now versus coming soon.

04. PRODUCT PORTFOLIO & APPLICATIONS

Headline: **Solutions for Different Spaces.**
Explain each product's purpose, intended use, customisation options, and the environments it supports. Include purchase or enquiry links.

05. MARKETPLACE RECOGNITION

Headline: **Trusted Globally. Recognised on Etsy.**
Highlight current **Etsy Star Seller** status and link to the verified Etsy shop. Add active Amazon, Walmart, and other marketplace links where applicable.

06. FIRST BUYERS

Headline: **Real People. Real Impact.**
Feature early customers and their stories: what they purchased, where they are based (with permission), and how they use the product.

07. CUSTOMER REVIEWS

Headline: **Trusted by Customers. Shaped by Their Experiences.**
Display genuine reviews, product names, marketplace sources, and verified ratings where available.

08. THE PROBLEM WE SOLVE

Headline: **Accessibility Should Be Part of Every Space.**
Explain the need for sensory-friendly and inclusive environments, and how Keller Adapt aims to help address it.

09. WHO WE SERVE

Headline: **One Mission. Multiple Environments.**
Introduce schools and education, airports and travel, public institutions, and homes or private spaces. Distinguish current markets from future targets.

10. WHY KELLER ADAPT

Headline: **More Than Products. A Considered Approach to Inclusion.**
Highlight customisation, purpose-led design, manufacturing in India, and international reach, supported by real examples.

11. OUR STORY & TEAM INTRODUCTION

Headline: **Built with a Purpose. Growing with a Vision.**
Introduce founders and team members with names, roles, short bios, and relevant experience. Explain why Keller Adapt was started and the vision guiding the business.

12. GLOBAL REACH & SHIPPING

Headline: **Made in India. Reaching Customers Worldwide.**
Explain current shipping destinations, fulfilment, and marketplace distribution. Show only regions that can actually be served.

13. GROWTH ROADMAP

Headline: **From Proven Products to Scalable Solutions.**
Show current priorities, next-stage expansion, and longer-term opportunities.

14. FINAL CALL TO ACTION

Headline: **Let’s Build More Inclusive Spaces Together.**
Provide clear actions: **Explore Products**, **Custom Project Enquiry**, and **Business Partnerships**.

INVESTOR PROOF POINTS

Add a compact data section using verified figures only.

METRIC	PURPOSE
Orders fulfilled	Shows buying activity.
Verified rating and review count	Shows customer feedback and trust.
Products available	Shows catalogue breadth.
Countries served	Shows current international reach.
Sales trend / repeat customers	Helps demonstrate commercial progress and retention.

DESIGN NOTES

- White background, restrained green accents, clean typography, and premium product photography on the website.
- If direct checkout is not ready, link to existing marketplaces and mark the online shop “Coming Soon.”
- Use only genuine customer stories, reviews, current seller badges, and verified business metrics.
